Project No. 2

+GF+ "Adding Quality to People's Lives"

- Thanks to a new water supply line, the women and children of five Indian communities in Licto no longer need to make long and arduous trips to get water
- „The water supply system gives families in Licto the courage to free themselves from dependency, trust in their own abilities and take responsibility for planning their future“

Theres Berner, Swissaid

- **SWISSAID**  took over the local project support function in 2002
