Project No. 19

+GF+ "Adding Quality to People's Lives"

- Restoration of the water supply systems in 14 villages damaged by an earthquake will increase the quality of life and the security of the food supply for 500 poor families
- „The people are doing much better today than before the earthquake – thanks also to the assistance provided by Georg Fischer“

Therese Berner, Swissaid

- **SWISSAID**  took over the local project support function in 2003
