

## Financial Analyst Conference – Agenda

- 1. Good performance in challenging times strong free cash flow
- 2. Consolidated financial statements
- 3. Outlook
- 4. Strategy 2025 profitable growth through higher customer value

# Good performance in challenging times – strong free cash flow

- Sales decreased 14.4% to CHF 3'184 million, organically by 8.4%
- Operating result (EBIT) before one-off items of CHF 185 million, reported EBIT of CHF 166 million
- EBIT margin stood at 5.8% before one-off items,
  5.2% after one-off items
- Strong free cash flow before acquisitions / divestments of CHF 230 million
- Proposed dividend per share of CHF 15

## Strong commitment of our employees throughout the pandemic crisis

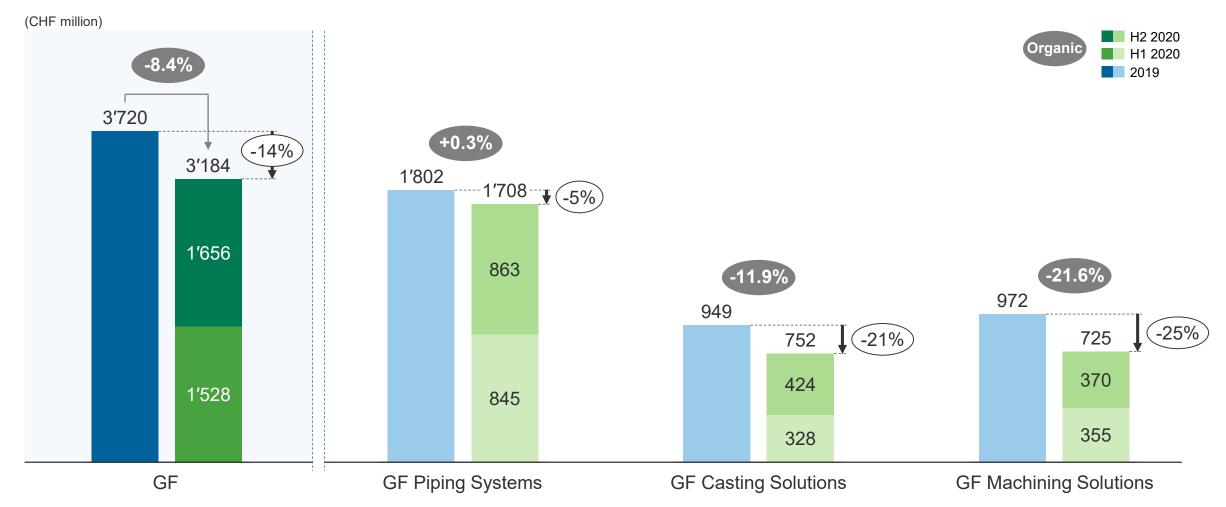

- Productivity and efficiency maintained despite the pandemic
- Various GF Piping Systems and GF Machining Solutions sites declared essential businesses
- Virtual became the new normal
- Measures to safeguard health but also business successfully implemented

A big thank you to all our employees

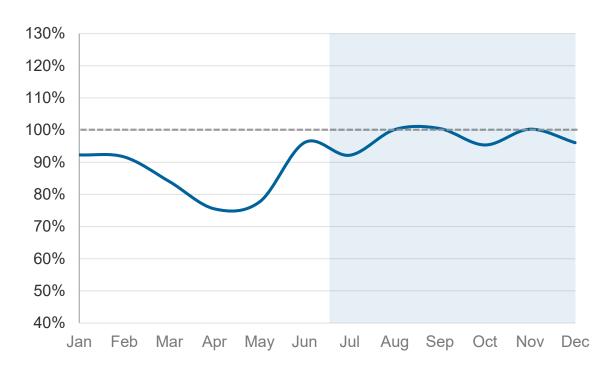

## Positive momentum in market development in second half

## Rebound in key markets towards the end of 2020

### Monthly organic sales development in 2020 – year-over-year comparison (worldwide)

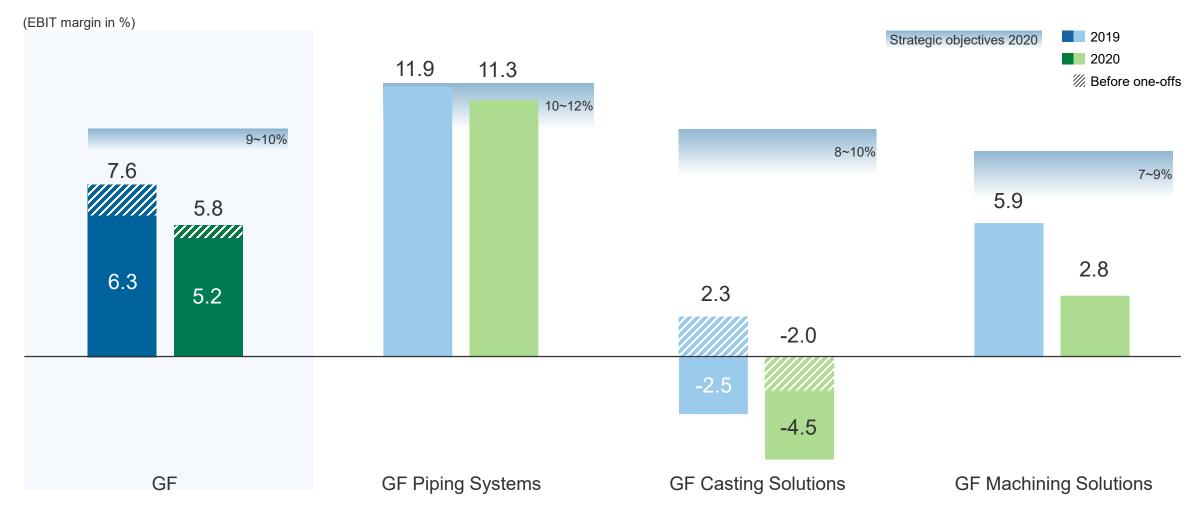

## Monthly organic sales development in 2020 – year-over-year comparison (selected countries)

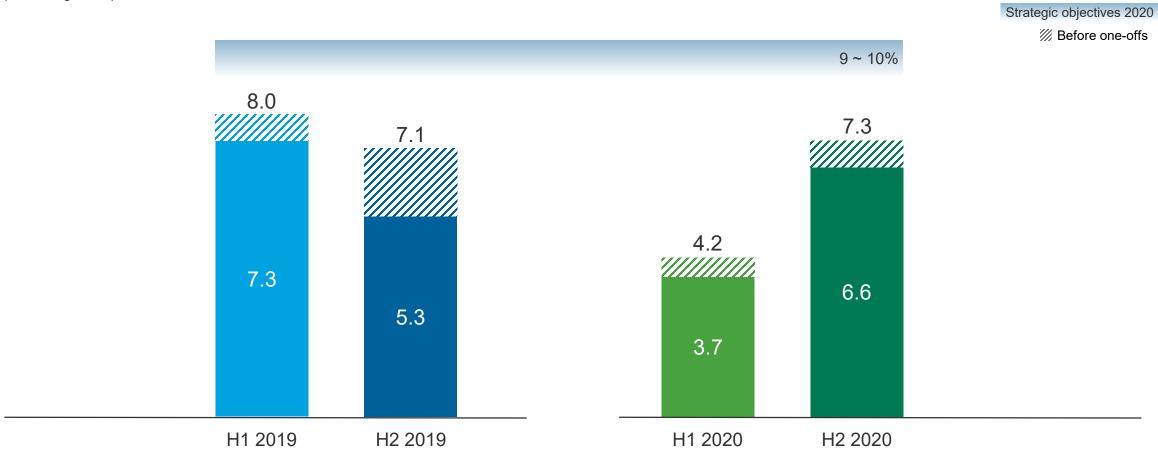

## **GF** Piping Systems with strong performance

## Profitability momentum turned around in H2 2020 – above H2 2019 level

(EBIT margin in %)

# Globally well balanced – building on resilient market segments

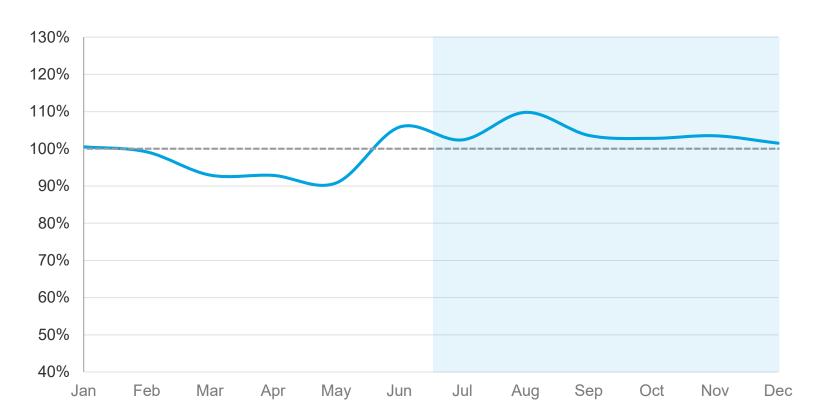

- Sales of CHF 1'708 million (-5.2%), organically 0.3%
- Negative FX impact of CHF 103 million
- Operating result at CHF 193 million, EBIT margin of 11.3%
- Strong microelectronics and data center segment
- Step into the large South American market acquisition of leading piping systems manufacturer in Brasil

## Pandemic crisis well managed – sites declared as essential businesses

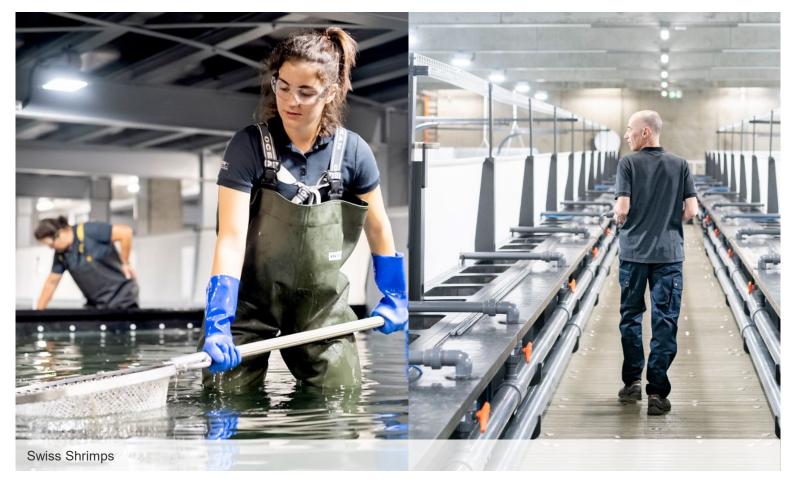

Monthly organic sales development in 2020 – year-over-year comparison (GF Piping Systems worldwide)

### Focus on innovation and sustainability

Neo flow valve as solution for non revenue water

### Strong Q4 2020 – promising momentum

Awarded collaboration

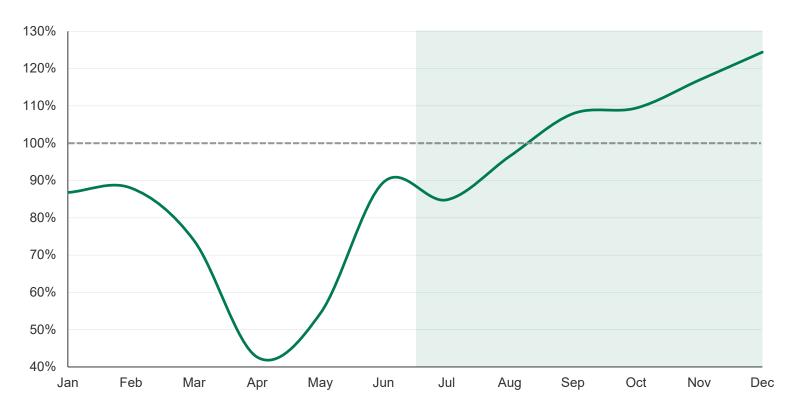

- Sales of CHF 752 million (-20.8%), organically -11.9%
- Operating result dropped to CHF -15 million before one-offs, due to plant underutilization
- Well positioned with global production footprint
- Strong rebound in China and positive sales momentum since May 2020
- Strategic transformation accomplished – good order book for lightweight components supplying sustainable mobility

#### **COVID-19** rebound effects in second half

#### Monthly organic sales development in 2020 -

year-over-year comparison (GF Casting Solutions worldwide)

- Call-offs for hybrid and e-mobility at high level
- Subdued aerospace market
- Strong rebound in China

## Focus on innovation and sustainability – global lightweight design and casting competence

Recognized as innovative partner for lightweight components, design and mold shop (Suzhou)

# New technologies and resilient new market segments softened severe COVID-19

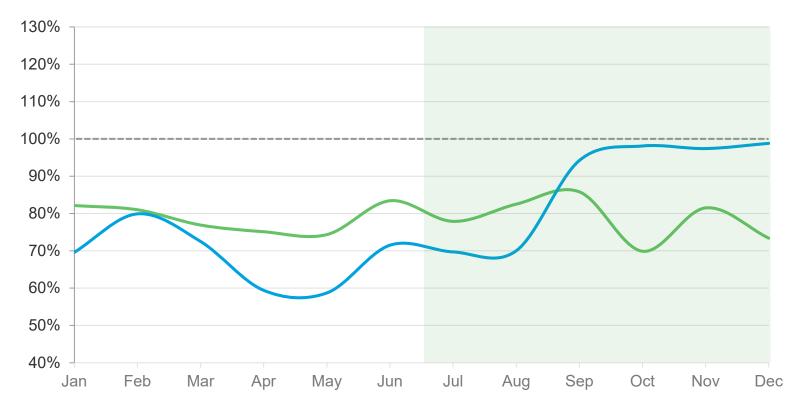

- Sales of CHF 725 million decreased 25.4%, organically -21.6%
- Operating result came in at CHF 20 million (2019: CHF 57 million)
- Strong Chinese market with new business segments and applications
- Medtech weathers crisis across the world
- E-mobility offers new opportunities for latest machine tool innovations

### Recovery of order book in second half

— Monthly organic development in 2020 year-over-year comparison (GF Machining Solutions worldwide)

#### Order intake

## Focus on innovation and sustainability

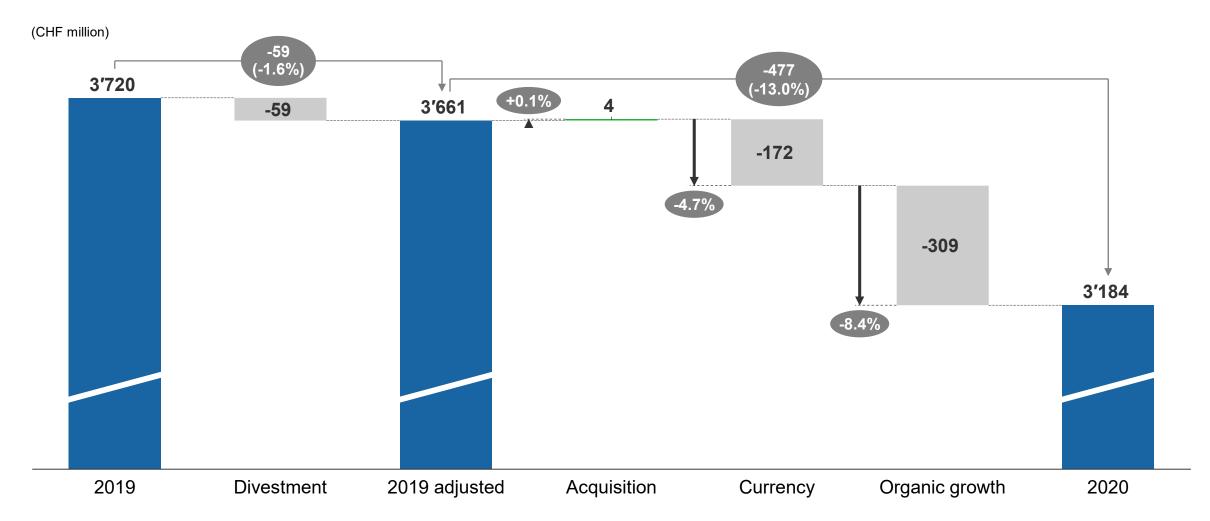

## Sales per division

| Return on equity in %                | 8      | 12     |
| Earnings per share in CHF            | 28     | 42     |
| Dividend (proposed) per share in CHF | 15     | 25     |
| Number of employees (incl. trainees) | 14'118 | 14'678 |

### **Outlook full year 2021**

- Well positioned to continue the recovery (seen in H2 2020)
- Order intake and outlook remain solid
- Organic growth to be expected in the mid to high single-digit, with further increase in profitability

**Start of the first year of Strategy 2025** 

## Strategy 2025 -

profitable growth through higher customer value

## Global trends offer great opportunities

#### Global trends driven by sustainability needs

#### **Our Vision**

GF is a sustainability and innovation leader providing superior customer value

# Our strategy is about profitable growth with emphasis on resilience and learning

**CHF 4.4 – 5.0 bn Sales** 

including acquisitions

9 – 11% Return on sales (ROS)

20 – 22% Return on invested capital (ROIC)

Drive profitable growth through intelligent and sustainable solutions

2 Increase robustness through resilient portfolio and operational excellence

3 Evolve culture towards more performance and learning

### **Divisional strategic targets**

#### **GF Piping Systems**

13 – 15% 20 – 24%

ROS ROIC

#### **GF Casting Solutions**

9 – 11% 18 – 22%

ROS ROIC

#### **GF Machining Solutions**

8 – 10% 20 – 24%

ROS ROIC

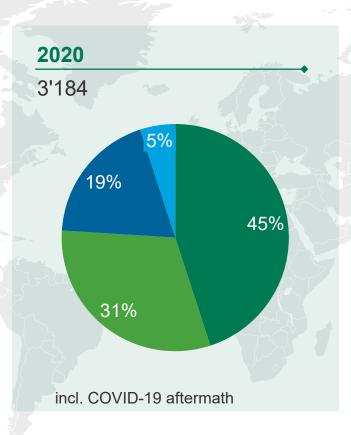

### We will further strengthen our global presence

(CHF million)

#### Sales per region

## Sustainability is an integral part of our strategy

accident rate reduction

## Drive profitable growth

through intelligent and sustainable solutions

## Intelligent flow solutions at GF Piping Systems ...

#### ... to reduce Non Revenue Water ...

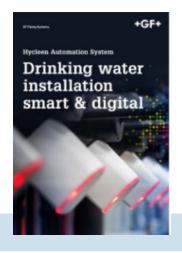

Pressure/flow management 2x more stable and precise

#### ... and ensure safe drinking water quality

## ... unique global solutions at GF Casting Solutions ...

... leveraging our global capabilities

**Key account management** 

Research & development

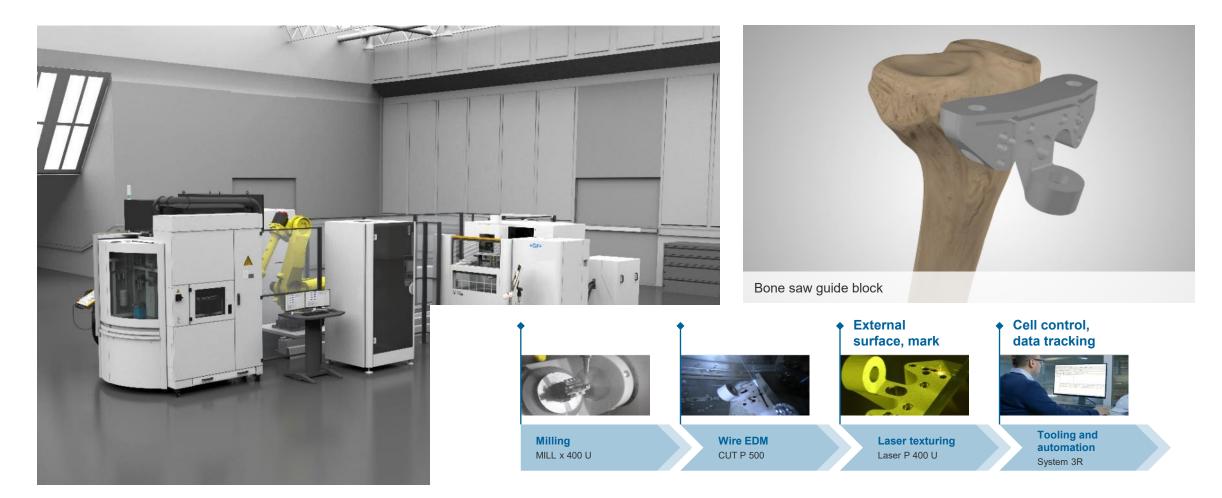

**Operations** 

### ... dedicated solutions at GF Machining Solutions

## **Increase robustness**

through resilient portfolio and operational excellence

## We continue to invest in more resilient market segments...

#### Water treatment

(advanced process automation)

Lightweight / e-vehicle parts (aluminum / magnesium)

Medical

(instruments / implants)

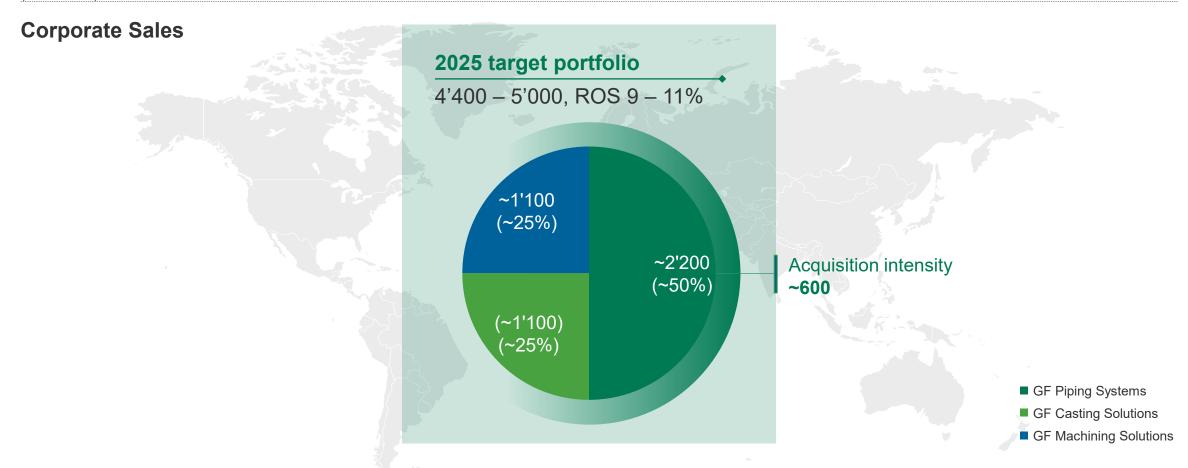

Globally balanced

#### **Examples**

### ... to further increase our portfolio robustness

(CHF million)

### We will strive for best in class operations worldwide

GF Casting Solutions, Mills River (USA)

GF Machining Solutions, Biel (Switzerland)

GF Piping Systems, Irvine (USA)

GF Piping Systems, Schaffhausen (Switzerland)

## **Evolve culture**

towards more performance and learning

## As a global company with deep Swiss roots, we cannot afford to be average

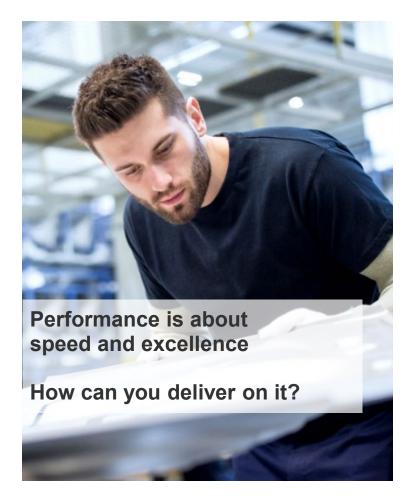

# Our strong culture will drive our strategy

### Our values are in line with our aspiration

## Our purpose

Becoming better every day – since 1802
